

Annual Report of the Academic Output of DCRI Clinical Research Fellows

Academic Year: July 2021 – June 2022

Training:

Medical School (2011-2015): University of Connecticut School of Medicine, Farmington, CT

Internal Medicine Residency (2015-2018): Beth Israel Deaconess Medical Center, Boston, MA

Cardiovascular Disease Fellowship (2018-2022): Duke University Medical Center, Durham, NC

Clinical Research Fellowship (2020-2022): Duke Clinical Research Institute, Durham, NC

Awards/Grants:

NIH T32 Training Grant (2020-2022): Received salary support from the Division of Cardiology Institutional Training Award

DCRI Robert A. Harrington Excellence in Fellowship Award, May 2022

Quantitative Training:

Clinical Research Training Program, Masters of Health Sciences in Clinical Research, Duke University School of Medicine, Durham, NC (2020-present)

Duke Clinical Research Institute Co-Chief Research Fellow (2021-2022)

ANDREW VEKSTEIN – CO-CHIEF FELLOW

Training

Medical School (2013-2017): Case Western Reserve University School of Medicine, Cleveland, OH

Integrated Cardiothoracic Surgery Residency (2017-expected graduation 2025): Duke University Medical Center, Durham, NC

Clinical Research Fellowship (2020-2022): Duke Clinical Research Institute, Durham, NC

Awards/Grants

Duke Clinical Research Institute Co-Chief Research Fellow (2021-2022)

DCRI Fellowship Citizenship Award, May 2022

NIH T32 Training Grant (2020-2022): Received salary support from the Division of Cardiology Institutional Training Award

Duke Clinical Research Institute Co-Chief Research Fellow (2021-2022)

Quantitative Training

Clinical Research Training Program, Masters of Health Sciences in Clinical Research: Duke University School of Medicine, Biostatistics and Bioinformatics, Durham, NC (anticipated degree Fall 2022)

KELLY ARPS, MD

Training

Medical School (2012-2016): Emory University, Atlanta GA

Residency (2016-2019): Johns Hopkins Hospital, Baltimore, MD

Cardiovascular Disease Fellowship (2019-2022): Duke University Medical Center, Durham, NC

Clinical Research Fellowship (2021-2022): Duke Clinical Research Institute, Durham, NC

VANESSA BLUMER, MD

Training

Medical School (2002-2008): Universidad Central de Venezuela, Caracas, Venezuela

Residency (2010-2011): Hospital de Clinicas Caracas, Caracas, Venezuela

Residency (2015-2018): Jackson Memorial Hospital, Miami, FL

Chief Residency (2018-2019): University of Miami, Miami, FL

Cardiovascular Disease Fellowship (2019-2022): Duke University Medical Center, Durham, NC

Clinical Research Fellowship (2021-2022): Duke Clinical Research Institute, Durham, NC

Awards/Grants:

Duke Clinical Research Institute Executive Director Pathway (2021)

The Mario Family Foundation Award (2022)

ANGELIQUE BOUTZOUKAS, MD

Training

Medical School (2013-2017): University of Florida College of Medicine, Jacksonville, FL

Pediatric Residency (2017-2020): Nationwide Children's Hospital, Columbus, OH

Pediatric Infectious Diseases Fellowship (2020-2013): Duke University Medical Center, Durham, NC

Clinical Research Fellowship (2021-2023): Duke Clinical Research Institute, Durham, NC

Awards/Grants

NIH Loan Repayment Program (July 2021 – July 2023): \$100,000 in loan repayment support from National Institute for Allergy and Infectious Diseases

Duke Clinical Research Institute Executive Director Pathway (2021)

NICHHD T32 Duke/UNC Unified Program for Therapeutics in Children Grant (2021-2023): Salary Support

Quantitative Training

UNC Gillings School of Global Public Health – Master of Public Health Degree, Applied Epidemiology Concentration – (Anticipated Completion 5/2023)

ANNE FRIEDLAND, MD

Training

Medical School (2010-2014): Tufts University School of Medicine, Boston, MA

Residency (2014-2017): University of Maryland, College Park, MD

Clinical Infectious Disease Fellowship (2019-2022): Duke University Medical Center, Durham, NC

Clinical Research Fellowship (2020-2022): Duke Clinical Research Institute, Durham, NC

Awards/Grants

HeRO HCQ: Healthcare Worker Exposure Response and Outcomes of Hydroxychloroquine Trial

PI: Susanna Naggie and Adrian Hernandez

Time involved: 6/2020-present

% Effort: 58% (averaged over the course of the year)

ACTIV-6: COVID-19 study of repurposed medications

PI: Susanna Naggie

Time involved: 6/2021-present

% Effort: 25% (over the next two years)

Quantitative Training:

Clinical Research Training Program, Masters of Health Sciences in Clinical Research, Duke University School of Medicine, Durham, NC

JOSEPHINE HARRINGTON, MD

Training

Medical School (2011-2016): University of Massachusetts Medical School, Worcester, MA

Residency (2016-2019): University of Texas Southwestern, Dallas, TX

Cardiovascular Disease Fellowship (2019-present): Duke University Medical Center, Durham, NC

Clinical Research Fellowship (2021-present): Duke Clinical Research Institute, Durham, NC

Awards/Grants

Runner-up, Young Investigator Award Heart Failure Society of America, 2021

Duke Clinical Research Institute Executive's Director Pathway Research Fellows Award (2021 & 2022)

Quantitative Training

Clinical Research Training Program, Masters of Health Sciences in Clinical Research, Duke University School of Medicine, Durham, NC

CAITLIN KING, MD

Training

Medical School (2011-2015): University of Arkansas for the Medical Sciences, Little Rock, AR

Pediatric Residency (2015-2018): Penn State Health Medical Center, Hershey, PA

Pediatric Chief Residency (2018-2019): Penn State Health Medical Center, Hershey, PA

Pediatric Critical Care Medicine Fellowship (2019-2022): Duke University Medical Center, Durham, NC

Clinical Pharmacology Fellowship (2020-2022): University of North Carolina, Chapel Hill, NC

Clinical Research Fellowship (2020-2022): Duke Clinical Research Institute, Durham, NC

Quantitative Training

Clinical Pharmacology Coursework, University of North Carolina, Chapel Hill, NC

Clinical Pharmacology Training Program, NIH ORC

RYAN KILPATRICK, MD

Training

Medical School (2013–2017): Loyola University Stritch School of Medicine, Maywood, IL

Pediatrics Residency (2017–2020): Floating Hospital for Children at Tufts Medical Center, Boston, MA

Neonatal-Perinatal Fellowship (2020–Present): Duke University Medical Center, Durham, NC

Clinical Research Fellowship (2021–Present): Duke Clinical Research Institute, Durham, NC

Awards/Grants

Duke Clinical Research Institute Executive Director Pathway Research Funding (2021), (with co-fellow Angelique Boutzoukas)

Quantitative Training

Clinical Research Training Program, Masters of Health Sciences: Duke University School of Medicine, Durham, NC (anticipated degree 2023)

KONSTANTIN KRYCHTIUK, MD, PHD

Training

Medical School (2004-2011; 6years): Medical University of Vienna, Vienna, Austria

PhD, Vascular Biology (2014-2020): Medical University of Vienna, Vienna, Austria

Residency (2014-2020): Medical University of Vienna, Vienna, Austria

Clinical Fellowship (2020-2021; paused): Cardiology and Critical Care, Medical University of Vienna, Vienna, Austria

Clinical Research Fellowship (2021-present): Duke Clinical Research Institute, Durham, NC

Awards/Grants

Duke Clinical Research Institute Executive's Director Pathway Research Fellows Award (2022)

ANTHONY PETERS, MD

Training

Medical School (2011-2015): University of North Carolina, Chapel Hill, NC

Residency (2015-2018): University of Virginia Health System, Charlottesville, VA

Chief Resident: (2018-2019): University of Virginia Health System, Charlottesville, VA

Cardiovascular Disease Fellowship (2019-present): Duke University Medical Center, Durham, NC

Clinical Research Fellowship (2020-2023): Duke Clinical Research Institute, Durham, NC

Awards/Grants

Duke Clinical Research Institute Executive's Director Pathway Research Fellows Award (2022)

Quantitative Training

Master's in Clinical Research, University of Virginia, Charlottesville, VA

Training

Medical School (2011-2015): University of North Carolina, Chapel Hill, NC

Pediatric Residency (2015-2018): Duke University Medical Center, Durham, NC

Pediatric Chief Residency (2018-2019): Duke University Medical Center, Durham, NC

Pediatric Rheumatology Fellowship (2019-2022): Duke University Medical Center, Durham, NC

Clinical Pharmacology Fellowship (2020- present): University of North Carolina, Chapel Hill, NC

Clinical Research Fellowship (2020-present): Duke Clinical Research Institute, Durham, NC

Awards/Grants

- Thrasher Research Fund Early Career Award (\$25k, 1/1/21-12/31/22)
- Duke Department of Pediatrics, Children's Miracle Network Hospitals. Trainee Award (2022-2023)
- L40AR079804, National Institute of Arthritis and Musculoskeletal and Skin Diseases, Pediatric Extramural Loan Repayment Program. (2021-2023)
- T32HD104576 Eunice Kennedy Shriver National Institute of Child Health and Human Development UNC-Duke Collaborative Clinical Pharmacology T32 Postdoctoral Training Program. (2022-2023)
- Inducted into the Lefkowitz Society for Physician Investigators, Duke University School of Medicine October 2021
- Lupus Foundation of America Gary S. Gilkeson Career Development Award (\$140,000). Project Title: Optimizing Adherence in Pediatric Lupus Using an App-Based Medication Diary.

Quantitative Training

Masters of Science Clinical Research (MSCR), Gillings School of Global Public Health, University of North Carolina, Chapel Hill, NC (Anticipated Graduation, May 2023)

Training

Medical School (2010-2015): University of North Carolina School of Medicine, Chapel Hill, NC

Graduate School (2013-2014): University of North Carolina, Gillings School of Global Public Health, Chapel Hill, NC

Residency (2015-2018): Osler Medical Residency Training Program, Johns Hopkins Hospital, Baltimore, MD

Cardiovascular Disease Fellowship (2018-2022): Duke University Medical Center, Durham, NC

Clinical Research Fellowship (2019-2022): Duke Clinical Research Institute, Durham, NC

Awards/Grants

American Heart Association Early Career Investigator Database Research Seed Grant (2021)

The Walter L. Floyd, MD Endowed Fellowship in Cardiology for Clinical Excellence (2021)

NIH T32 Training Grant (2020-2022). Received salary support from the Division of Cardiology Institutional Training Award. PI: Daniel B. Mark, Duke University School of Medicine

Duke Clinical Research Institute Executive's Director Pathway Research Fellows Award (2021-2022)

National Institutes of Health Loan Repayment Program (IC NHLBI, 2021 to 2023). Mentored Research Award

American Heart Association Get with The Guidelines Data Challenge Award (2021).

DCRI Eric D. Peterson Fellowship Manuscript Award, May 2022

Training

Medical School (2012-2016): Wake Forest School of Medicine, Winston-Salem, NC

Residency (2016-2019): Massachusetts General Hospital, Boston, MA

Clinical Fellowship (2019-2022): Rheumatology Fellowship, Duke University Medical Center, Durham, NC

Clinical Research Fellowship (2020-2022): Duke Clinical Research Institute, Durham, NC

Awards/Grants

David S. Caldwell and John R. Rice Clinical Rheumatology Award (2021): Division of Rheumatology and Immunology, Duke University Hospital, Durham, NC

Duke Clinical Research Institute Executive's Director Pathway Research Fellows Award (2021-2022)

Quantitative Training

Fellows' Research Academy (2021-2022): Duke University School of Medicine, Durham, NC

Health Disparities Research Curriculum (2021-2022): Duke University School of Medicine, Durham, NC

Quantitative Training

Clinical Research Training Program, Masters of Health Sciences: Duke University School of Medicine, Durham, NC (2020-2022)

Training

Physical Therapy School (2011-2014): University of Indianapolis, Indianapolis, IN

Orthopaedic Physical Therapy Residency (2014-2015): James A. Haley Veterans' Hospital, Tampa, FL

Graduate Certificate, Applied Biostatistics (2016): University of South Florida College of Public Health, Tampa, FL

PhD, Public Health/Epidemiology (2017-2021): University of South Florida College of Public Health, Tampa, FL

Clinical Research Fellowship (2021-present): Duke Clinical Research Institute, Durham, NC

Awards

Duke Clinical Research Institute Executive's Director Pathway Research Fellows Award (2021)

Quantitative Training

Target Trial Emulation. Non-Degree Course: T.H. Chan School of Public Health, Harvard University, Boston, MA

Training

Medical School (2011-2016): Stony Brook University School of Medicine, Stony Brook, NY

Residency (2016-2020): Duke Psychiatry Residency Training Program, Duke University Medical Center, Durham, NC

Clinical Research Fellowships (dual):

VA Advanced Fellowship in Mental Illness Research and Treatment, Mid-Atlantic (VISN 6) Mental Illness Research, Education, and Clinical Center (MIRECC) (2020-2021): Durham Veterans Affairs Healthcare System, Durham, NC

Clinical Research Fellowship (2020-2022): Duke Clinical Research Institute, Durham, NC

Awards/Grants

Career Development Award (CDA-1) IK1 CX002187 (07/2021-07/2023)

U.S. Department of Veterans Affairs, VA Clinical Science Research and Development (CSR&D) \$429,000
Title: Neuroimaging correlates and feasibility of transcranial magnetic stimulation to improve smoking cessation outcomes in veterans with PTSD. The goal of this project is to evaluate the feasibility and acceptability of fMRI-guided rTMS as an adjunctive treatment to cognitive behavioral therapy for smoking cessation and nicotine replacement in veterans with PTSD.

Quantitative Training

Clinical Research Training Program, Masters of Health Sciences, Duke University School of Medicine, Durham, NC (anticipated degree 2022)

Training

Medical School (2012-2017): Icahn School of Medicine at Mount Sinai, New York, NY

Integrated Vascular and Endovascular Surgery Residency (2017-2025): Duke University School of Medicine, Durham, NC

Clinical Research Fellowship (2019-2022): Duke Clinical Research Institute, Durham, NC

Awards/Grants

NHLBI 1F32HL151181-01A1, Principal Investigator (2020-2022) - Addressing Variability in Peripheral Arterial Disease Outcomes Using Machine Learning Techniques

PCORI Engagement Award Contract #21136-VC, Junior Investigator (2021 - present) - Working Group to Enable Chronic Limb-Threatening Ischemia Patient Engagement in PCOR/CER

Vascular Cures Collaborative Patient-Centered Research Program, Co-Investigator (2021-2022) - Validating the Peripheral Artery Questionnaire and Vascular Quality of Life Questionnaire in a Population of Patients with Chronic Limb-Threatening Ischemia

Women as One Escalator Award, Co-Investigator (2021-2022) - Validating the Peripheral Artery Questionnaire in a Diverse Patient Population with Symptomatic Peripheral Artery Disease

Joint Liability Steering Committee Safety Grant, Co-Principal Investigator (2021-2022) - Improving Surgeon/Interventionalist Pain and Injury with a Targeted Movement Intervention

Duke Institute for Health Innovation Pilot, Principal Investigator (2021-2022) - Improving Equity and Value of Peripheral Artery Disease Care at a Population Level

Quantitative Training

Clinical Research Training Program, Masters of Health Sciences (2019-2021), Duke University School of Medicine, Durham NC

Blumer V, **Arps K**, Turco JV, Taqueti VR, Walsh MN, Douglas PS. Increase in Gender Diversity Among JACC Editorialists and Editors from 2008 to 2019. Accepted to J Am Coll Cardiol 2022;80(5):562-563. PMID: 35902179)

Piccini JP, **Arps K**. Sacubitril/Valsartan Therapy for AF and HFpEF: Is the Glass Half Empty or Half Full? JACC Heart Fail 2022;10(5):347-349. (PMID: 35483797)
