Column Explanations:

- (1) Funding is provided for my effort in research grants or contracts for multi-center projects in which I serve as either the Chairman, Co-Chairman, Executive or Steering Committee member or I am involved as a DCRI faculty leader for specific aspects in a project. A check in this column denotes that I am involved in such a research contract. Payments for the work performed for these contracts are made to the University. A portion of my salary as a faculty member, representative of % effort on the project, is supported by these funds.
- (2) A research grant from this company supports the expenses associated with projects in the DUHS that are under my direction.
- (3) I provide educational activities or deliver occasional lectures that generate revenue from this company. All revenues from these activities are paid to the University. None of it is taken for personal income. The three columns represent annual payments of more than \$5,000, between \$5,000 and \$25,000, and in excess of \$25,000 per year from this company.
- (4) I receive personal income outside of my University salary for consulting or other services (Including CME) from this company. The three columns represent annual payments of more than \$5,000, between \$5,000 and \$25,000, and in excess of \$25,000 per year from this company.
- (5) I receive personal income outside of my University salary for consulting or other non-CME services from this company. The three columns represent annual payments of more than \$5,000, between \$5,000 and \$25,000, and in excess of \$25,000 per year from this company.
- (6) I personally receive royalties in excess of \$5,000 per year from this company.
- (7) I, or an immediate member of my family, have equity (with shareholder voting privileges) in this company of either > \$5,000 or > 1%.
